

COMPLIANCE AND ENFORCEMENT

OF OREGON'S MARINE RESERVE SITES

WHO ENFORCES THE SITES?

OREGON STATE POLICE (OSP)

carries out enforcement and promotes compliance through outreach and education

Three additional state and federal agencies assist in patrolling sites and providing outreach and education that supports compliance

ODFW

STATE PARKS

US COAST GUARD

HOW ARE SITES MONITORED FOR VIOLATIONS?

Sites are patrolled from land, on the water, and from the air. Local community members and fishermen play a critical role by reporting possible violations to OSP.
